

## Faculty Handbook Update Log (September 2022-present)

*In October 2022, multiple minor corrections were made to the Handbook, including updating hyperlinks, creating consistent capitalization patterns, making previously approved additions and deletions, making minor corrections and adding Oxford commas.*

---

Revision 10/2022:

### **3.1.14 Use of Innovative Technology and Online Course Formats**

Online course sections shall not be used to replace faculty, and faculty shall not be required to teach online course sections **unless an emergency situation as defined by the University of Delaware, local, regional, or national authorities arises which requires that a majority of courses within a specified region temporarily be taught fully online.**
