

An offer you can't afford to pass up!

Freshmen are eligible for a **FREE** ASME membership*

Being a freshman has its privileges! At ASME we are dedicated to providing benefits and services to help prepare tomorrow's engineers to reach their full potential.

That's why we created our "**Freshman First Year Free**" program - to make access to our many valuable student programs and services as easy as possible, right at the beginning of your college experience!

ASME offers student members many opportunities to **have fun, share experiences**, and **build relationships** that can last a lifetime. On campus **events** and **meetings** will help to develop your **leadership skills** and keep you up-to-date on the **latest developments** in the field - and having ASME on your resume is the just the type of **credential** employers are looking for!

*Freshman first year free membership does not include a print version of *Mechanical Engineering* magazine.
