

## ASME Student Membership

ASME student membership includes many valuable benefits and services you won't find anywhere else!

**Internship Opportunities** where you can gain real world experience while still in school

**Student Scholarships and Loans** to help you finance your education

**Mentoring Services** offering support and guidance

**Online e-Library** to help with your papers and research

**Student Competitions** that will help build your skills and then test them

**A Prestigious Association** that employers love to see on your resume/CV

**Great Jobs** you won't find posted on the commercial sites

**Connections** with peers and colleagues that can last a lifetime

**Deep Discounts** on engineering books, technical journals, courses and conferences

And if that's not enough, check out all the benefits of Student Membership on our Web site today at: [go.asme.org/students](http://go.asme.org/students)
