

**University of Delaware Graduate Student Government  
SR-1213-01**

Sponsors: Senator Jones and Senator Bonistall

5                   Addressing the Rise in Safety Concerns of Students  
                      on the University of Delaware’s Newark Campus

10           **R**eminding all students, faculty and staff of the University’s “tradition of  
excellence” and mission “to cultivate learning, develop knowledge and  
foster the free exchange of ideas”, and

15           **A**cknowledging the University’s Public Safety efforts to inform and  
protect its constituents from criminal activities in and around campus,  
and

**S**tressing the fact that there seems to have been a rise in crime against  
students in and around the University campus,

20           **BE IT RESOLVED:**

                      The Graduate Student Government encourages all relevant offices and  
departments within the University to be aware of the rise in students’  
concerns about their safety in and around campus, and

25           **U**rges all relevant offices and departments within the University to take  
these concerns with great seriousness in efforts to recruit and retain the  
world’s best students, and

30           **R**equests all relevant University offices and departments work  
collaboratively with the Graduate Student Government to find ways to  
to increase efforts to improve safety for students in and around campus.
