

Motorcycle Permit

Motorcycle permit holders may park in any motorcycle space on campus.

Motorcycle permits do not guarantee a space in a specific lot.

For the location of motorcycle spaces on campus, please go to www.udel.edu/parking and click on the map link at the top of the page. Refer to the key to see the lots that have motorcycle spaces.

Vehicle permit holders using their motorcycle as an alternate vehicle may park their motorcycle in any motorcycle or vehicle space in any surface lot that their vehicle permit is valid. Motorcycles being used as an alternate vehicle must be registered to the primary permit. For safety reasons, motorcycles are not permitted to park in gated lots. If using your motorcycle as an alternate vehicle, gate lot permit holders should park their motorcycle in central or gray lots

A separate motorcycle permit is not needed if you only plan to use your motorcycle as an alternate vehicle and only park it in surface lots where your vehicle permit is valid.
