

THE XPERT NETWORK

Monthly Webinar

Today, August 29, 2019: **XSEDE/ECSS NIP**
The Novel and Innovative Projects thrust of
XSEDE's Extended Collaborative Support Service

RUDI EIGENMANN

PARINAZ BARAKHSHAN

UNIVERSITY OF DELAWARE

<https://sites.udel.edu/xpert-cdi/>

Supported by the National Science Foundation

Introductory Remarks – How does the Xpert Network Relate to Other Efforts ?

- **US-RSE** – US Research Software Engineer’s Network
- **CaRCC** - The Campus Research Computing Consortium
- **Virtual Residency** – at U. Oklahoma
- **XSEDE**:
 - **ECSS**: Extended Collaborative Support Service
 - **Campus Champions**
- **ECSS-like groups in large NSF projects**:
 - **CyVerse**
 - **Software Institutes**
 - **Frontera FCSS**

Our (the Xpert project's) Focus?

- Create synergy among these efforts
- Identify Best Practices (procedures, tools,...)

We are very open to joining forces with other efforts

And now:

Sergiu Sanielevici:

Novel and Innovative Projects - ECSS NIP Can Assist Xperts
