## PROFESSIONAL EXPERIENCE

---

**Graduate Teaching Assistant** at the University of Delaware  
Provide administrative assistance and support to students enrolled in the Disaster Science & Management master's classes. Courses: DISA 650 (Introduction to Disasters), DISA 670 (Issues in Disaster Response), UAPP

**08/2022 – present**

679 (Leading Organizations in Nonprofit and Public Sectors), UAPP 701 (Public Policy).

- Emergency Preparedness & Business Continuity Manager** at the University of North Texas **10/2021 – 08/2022**  
Coordinate the University’s continuity of operations program, assisting individual units with development of business continuity plans. Additionally managed campus emergency preparedness programs, providing oversight to the campus Emergency Management Specialist who facilitated preparedness initiatives.
- Emergency Management Coordinator** at the University of North Texas **03/2019 – 10/2021**  
Oversaw campus-wide emergency preparedness and planning program, to include managing campus education and outreach efforts and facilitating Emergency Operations Plan and annex development. Provided oversight, support, and mentoring to several emergency management interns.
- Contract-Based Course Writer** at Energy Worldnet **08/2020 – 08/2021**  
Wrote content for computer-based training courses related to energy industry safety. All courses written utilizing instructional design methodologies such as SMART Objectives and Bloom’s Taxonomy.
- Development Coordinator** at Serve Denton (July 2018 – March 2019) **07/2018 – 03/2019**  
Oversaw Serve Denton’s grant program including grant researching, proposal writing, and reporting. Raised over \$35,000 in grant funds.
- Technical Writer** at Energy Worldnet **04/2017 – 09/2018**  
Worked closely with Subject-Matter Experts (SMEs) to write content and collect multimedia for over 100 computer-based training courses related to energy industry safety.
- Emergency Management Writing Consultant** for Denton Bible Church **01/2017 – 04/2017**  
Wrote hazard-specific annexes to supplement the Denton Bible Church Emergency Operations Plan, including a Threat Statement Annex, a Suspicious Individuals Annex, and an Onset Attack Annex.
- Planning Intern** **08/2016 – 02/2017**  
Conducted community surveys and compiled research and materials for plans and projects, including a Denton Downtown Character Study and other long-range planning projects. Learned how to utilize basic EsriGIS to visually display city data.
- Writing Consultant** at the University of North Texas Writing Lab **01/2016 – 08/2016**  
Tutored students of diverse backgrounds, academic levels, and disciplines in academic and technical writing.
- Emergency Management Intern** at the City of Denton **08/2015 – 12/2015**  
Performed and wrote a Chemical Risk Analysis for the City of Denton using Tier Two documents, detailing where Extremely Hazardous

Chemicals in the city are located and how they are stored. Compiled a Special Populations Guide that detailed locations of vulnerable populations in the City of Denton.
