DELAWARE 8TH GRADE STUDENT ASSENT AND SURVEY INSTRUCTIONS

This questionnaire is part of a study of student experiences, including the use of cigarettes, alcohol and other drugs. The study is being conducted by the University of Delaware. The answers you give will be entirely confidential and anonymous - - no one in your school, family or community will ever know how you answered the questions. We will keep your responses secret because if the study is to be helpful it is important that you answer each question truthfully, as best you can.

This study is completely voluntary. There is NO penalty if you choose not to fill out the questionnaire or any part of it.

This IS NOT A TEST, so there are no right or wrong answers. Please work as quickly as you can. If you don't find an answer that fits exactly, choose the one that comes closest. If a question does not apply to you, or if you are not sure what it means, just leave it blank. If you have any questions, turn your answer form over and raise your hand and someone will come to help you. Unless it says otherwise in the question, do not mark more than one answer for any question. When you are finished with the questionnaire, please turn it over and work quietly at your desk on something else. When everyone has finished, you will bring them up and put them in a box so we can mix them up.

Be sure to read the instructions before you begin to answer.

You should answer each question by filling in the circle next to the answer you choose. For example:

I am in the 8th grade:

- Yes
- No

Thank you very much for being an important part of this study.

MARKING INSTRUCTIONS

- Use a No. 2 pencil only.
- Do not use ink, ballpoint, or felt tip pens.
- Make solid marks that fill the response completely.
- Erase cleanly any marks you wish to change.
- Make no stray marks on this form.
