WHEREAS, Delaware Technical and Community College ("DTCC") and the University of Delaware ("UD") (DTCC and UD may be collectively referred to as the "Parties") entered into that certain Articulation Agreement dated **1/20/2020** attached hereto as Exhibit A ("Articulation Agreement"); and

WHEREAS, the Parties desire to further amend the Articulation Agreement to correct and change the admission requirements;

NOW THEREFORE, In consideration of the mutual covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to amend the Articulation Agreement as follows:

**Section 1: Changes to the agreement beginning Fall 2022**

For students admitted to DTCC *in Fall 2022 and beyond* and later admitted to UD via the articulated program, the following changes will apply:

1. Graduates of the DTCC program who have completed the associate degree with a cumulative grade point average of 3.0 or higher and earn a C or better in MAT 261 Business Calculus I will be admitted to the University of Delaware via the articulation agreement, regardless of matriculation date.

**Section 2: Students currently in the pipeline**

For students who enrolled at DTCC *prior to Fall 2022* and later admitted to UD via the articulated program, the following will apply:

1. Graduates of the DTCC program who have completed the associate degree with a cumulative grade point average of 3.0 or higher and earn a C or better in MAT 261 Business Calculus I will be admitted to the University of Delaware via the articulation agreement, regardless of matriculation date.

**Section 3: Summary**

1. Beginning Fall 2022, students currently enrolled at DTCC and are later admitted to UD via the Business Administration Transfer articulated program are subject to the changes outlined in Section 2.
2. Beginning Fall 2022, all students newly admitted to DTCC and are later admitted to UD via the Business Administration Transfer articulated program are subject to the changes outlined in Section 1.

These changes are effective on the date both Parties have signed this Addendum. All other provisions of the Articulation Agreement not amended herein shall remain in full force and effect and shall be restated herein by reference as if fully set forth herein.

This Addendum may be executed electronically through the use of any program that meets the requirements of the Delaware Uniform Electronic Transactions Act, or other applicable law, or in any number of counterparts and all of such counterparts shall together constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Addendum in Portable Document Format (PDF) or by facsimile transmission shall be effective as delivery of a manually executed original counterpart of this Addendum.

## **AGREEMENT**

**WHEREAS** Delaware Technical and Community College (DTCC) and University of Delaware (UD) are committed to expanding educational opportunities for the citizens of the State of Delaware, and

**WHEREAS** the two institutions are committed to providing a smooth transition for students wishing to earn an associate degree and a baccalaureate degree, and

**WHEREAS** the intent of the two institutions is to avoid duplication of curricula where appropriate within articulated programs of studies, and

**WHEREAS** the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

**BE IT HEREWITH RESOLVED** that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.

## PROVISIONS OF THE AGREEMENT

1. The institutions agree to follow the connected degree curriculums delineated in this document for the transfer of DTCC's Associate Degree Program in Business Administration Transfer and UD's Bachelor of Science Degree Program in Finance.
2. Both institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
3. Graduates of the DTCC program who have completed the associate degree with a cumulative grade point average of 3.2 or higher and earned a B or better in MAT 261 Business Calculus I will automatically be accepted into the baccalaureate program at UD. Students will be considered for admission based on the completed work at the time of the review. DTCC will provide confirmation of degree completion upon students' final semester of coursework. Students who do not complete the degree program as outlined in the agreement may have admission based on the articulation agreement criteria rescinded, however still may be considered for regular transfer admission based on the totality of their academic record. UD reserves the right to recalculate the DTCC cumulative grade point average to account for DTCC's grade forgiveness policy when making admission decisions.
4. Students must complete the courses in the specified associate degree program herein with a grade of C or better to receive the credits for transfer. Students are expected to complete all courses outlined in the DTCC portion of the agreement at DTCC. Students who have attended a college or university other than DTCC and transferred credits to DTCC in pursuit of the associate degree program may not be admissible via the provisions of this articulation agreement. In such cases, students will be considered based on their entire academic history and not guaranteed admission to the bachelor's degree program or the course equivalencies detailed within the provisions of this agreement. Coursework taken at an institution other than DTCC may not transfer to UD as noted in the agreement. It is expected that students will complete all coursework in the UD portion of the agreement at UD. Students who previously attended UD are not eligible for admission via an articulation agreement and instead should apply for readmission consideration if wishing to re-enroll at UD.
5. Students intending to transfer should complete the UD admissions application following the third semester of their associate degree program. Students should note on their application that they are applying as part of an articulation agreement/connected degree.
6. Students are subject to all the policies and procedures of both institutions.

7. Students are subject to all specific policies pertaining to students admitted to the Finance Bachelor's Degree Program.
8. This articulation agreement is based on the present curricula contained in this document and it is effective for a period of five years from the date of signing by both parties.
9. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. Departments will review agreements and notify the appropriate individuals at each institution of any changes by July 1 of each year the agreement is in effect. The University of Delaware will make a good faith effort to honor this articulation agreement for any Delaware Technical and Community College student who enrolls in the Business Administration Transfer Associate Degree program during the five year period specified for this agreement, and graduates with the required associate degree within eight (8) years of the signing of this agreement by both parties. A student who meets these conditions must apply to the University of Delaware and be accepted in order to receive the benefits of this agreement.
