September 9, 2022

National Science Foundation

Molecule Maker Lab Institute Seed Grant Funding Opportunity Office Hour

Friday, September 9 | 4:00 – 5:00 pm EST

Summary: NSF Chemistry will be holding an Office Hour, **tomorrow**, September 9, 2022, from 4 – 5 pm in reference to the Molecule Maker Lab Institute Seed Grant Funding Opportunity. The office hour will provide an overview of a new Seed Grant program from one of the NSF AI Research Institutes, the Molecule Maker Lab Institute. Early career investigators and investigators from underrepresented groups who do research in areas supported by CHE are encouraged to apply. The program scope, funding priorities, prior awardees, application components, and review process will be discussed, followed by a Q&A session.

Pre-registration is required using the link below. Once you register you will receive a Zoom link to enter the office hour.
