

Excited to print your own pack of Complete Communities trading cards? Check out the tips below for the best results!

- Notice that page 2 is a sheet of trading card backs. Print page 2 on the back of each page of terms.
- When printing on both sides, check your printer's settings to identify the best method.
- For double-sided printing, select the long edge binding option in your print dialogue.
- Notice the hash marks located at all four corners of each card. Cut along these lines when cutting a sheet into individual cards.

Have fun! We would love to hear how you are using our cards. Tag us on Twitter and Facebook to let us know, and visit our website to find more trading cards and strategies to make your community complete!
