If yes, please describe the program with participation dates and any sources of funding:

If this is an international proposal, does your destination carry a Level 3 distinction on the [US State Department's travel warning page?](#)

Note that the University normally does not permit institutionally funded student trips to countries on the State Department's warning list. If your travel destination is under a Travel Warning it will be your responsibility to present your case to UD's Risk and Security Assessment Committee to request an exception to this policy. Funding will be rescinded for those whose petition is not approved.
