The 3rd annual Dumpster Detour is fast approaching (May 21-24). Around the end of the academic year, the Sustainability Committee of the Graduate Student Government collects lightly used and good condition household items from students moving out of campus housing. To make this a success, we need the help of volunteers like you! You are not moving students out. Volunteers are stationed outside at specific locations across campus to collect household items before they end up in the move-out dumpsters and landfills. The collected items are then re-sold or donated to those in need. Also, volunteers get a Dumpster Detour t-shirt while supplies last.

Below is the volunteer sign-up form link. You can request any day or amount of time to volunteer that works best for you. Hour long time slots or longer are preferred. We need your help!
