DO YOU HAVE ACHILLES TENDON HEEL PAIN?

We are conducting a study evaluating how individuals with insertional Achilles tendinopathy (painful Achilles tendon at heel bone) walk.

- The study will include evaluation of your Achilles tendon and your walking.
- You will be compensated for participating.
- To qualify you must:
  - Be at least 18 years-old
  - Have Achilles tendon pain

If you have pain in your Achilles tendon that gets worse with walking, running and jumping, you might be eligible to participate in our research study.

If you are interested in participating please fill out our QR code survey or contact us:
