

ARE YOU PREGNANT?

PREGNANCY & CHILD DEVELOPMENT STUDY

The Attachment and Biobehavioral Catch-up Lab at the University of Delaware is recruiting pregnant women for a new study!

PARTICIPATION INCLUDES:

- 2 research visits during pregnancy
- 3 research visits over the first year of your baby's life

UP TO \$575 IN FINANCIAL COMPENSATION

We are interested in learning more about how parents' and babies' brains, bodies, and behaviors change with experiences
