

Does Eating Wild Blueberries Help Improve Memory and Cardiovascular Health?

We are inviting you to participate in our study!

You will be paid for your time!

If you are age 60-80, and have not been diagnosed with dementia or Alzheimer's disease, you may be eligible to participate in our study!

If you are interested, please call **302-831-7218** or email [**ChaiResearchLab@udel.edu**](mailto:ChaiResearchLab@udel.edu)
