UNIVERSITY OF
DELAWARE

Interested in STEM, clean energy, and college-level research? Join us at the Center for Clean Hydrogen (CCH) at the **University of Delaware** this summer! This competitive program has limited space, and applications are considered on a rolling basis. No prior lab experience is required. Questions? Contact Dr. Anil Bika (bika@udel.edu)

Choose your session:
July 6-16 / July 20-30 / Aug 3-13
Mon-Thurs, 9:30AM-5:00PM

**A limited number of need-based scholarships are available to support accessibility to this program*
