Our amazing Allie tragically passed away in June 2019 just hours before her 24th birthday doing what she loved, running and staying physically active. Allie was pursuing a doctoral degree in Physical Therapy from the University of Delaware and was only months away from graduation at the time of her accident.

To honor Allie's pursuit of excellence in academics and physical fitness, a registered 501C-3 scholarship organization has been established to recognize 2nd year doctoral physical therapy students at Allie's alma maters, High Point University (HPU) and the University of Delaware (UD).

Allie loved to play field hockey and her number at HPU was 27. To honor Allie's love and dedication of the sport, our second annual virtual fundraiser, ACTIVE4ALLIE - 27 CHALLENGE, will start on Allie's birthday, June 22 and continue until August 22, 2022.

In the ACTIVE4ALLIE virtual event 3 challenge levels will be available to participants: 2.7, 27 or 270 tier options encouraging people to get active for Allie. Over the 62-days, participants can complete multiple activities, such as walking, running, biking, weightlifting, or swimming, to complete their challenge. Participants are encouraged to share their progress using the ACTIVE4ALLIE hashtag on social media.

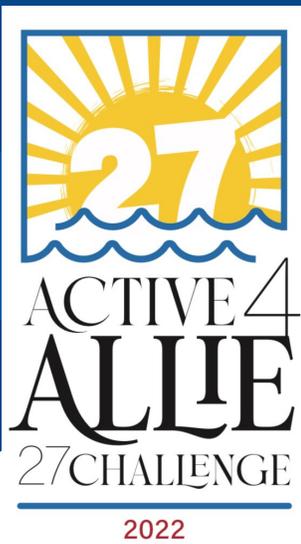

Registration fees for the event will be directly used to maintain the existing scholarship fund. Your support will help us expand our reach for the ACTIVE4ALLIE 27 CHALLENGE and to support the mission of Allie's scholarship. The sponsorship levels detailed on the back of this page are available to help us achieve this goal and to showcase your business.

If you are interested in sponsoring the ACTIVE4ALLIE event or for more details, please contact Linda Zambito at (732) 691-0957 or ARZSunshineScholarship@gmail.com. Sponsorship requests must be received by July 13, 2022 to ensure promotional printing on t-shirts.

Allie's wish for herself and everyone was to "always keep moving". Thank you for helping us carry on her legacy.

Cheers,

The Zambito Family and the Allie Rose Zambito Sunshine Scholarship, Inc. Board of Directors
