

Mass Spectrometry Facility Open House

DEPARTMENT OF
**CHEMISTRY &
BIOCHEMISTRY**

With the acquisition of over a million dollars worth of modern instrumentation through The National Institutes of Health Center of Biomedical Research Excellence (NIH-COBRE) program, the mass spectrometry facility has new and exciting capabilities to support research at UD. Come and explore these new technologies and also share your research needs with the facility.

Date: January 8th 2016

Time: 2-3 pm

Location: Brown Lab 219

The event will start with a 30 minute overview of the new instruments, their capabilities and possible research applications. This will be followed by a tour of the facility where you will get the chance to explore the different instrumentations and discuss your mass spec needs with the facility personnel

Refreshments will be provided.
