

UD Facts & Figures 2019–20

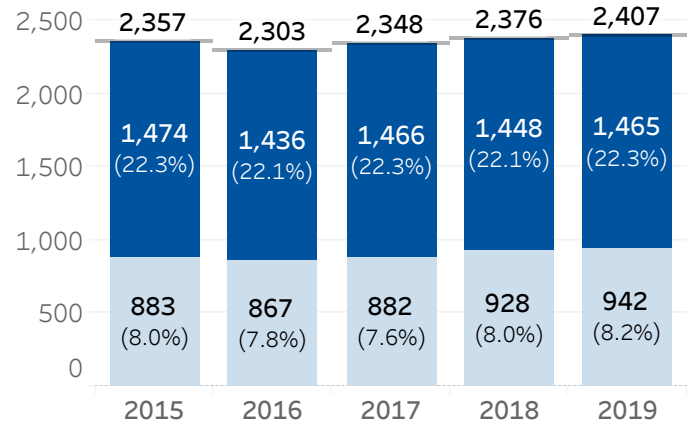

Newark Campus Undergraduates

Delawareans Nonresidents

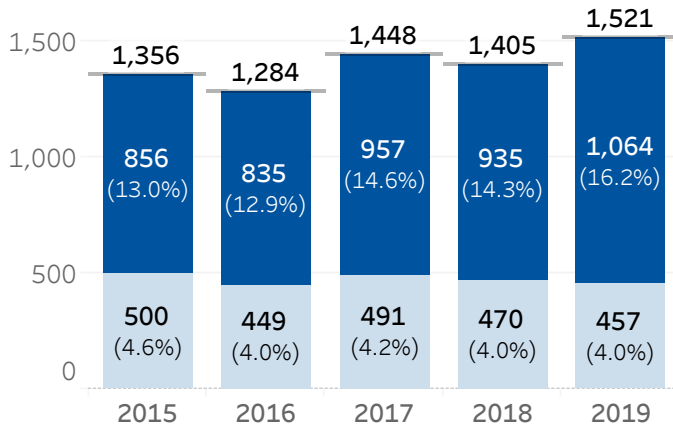

Residency

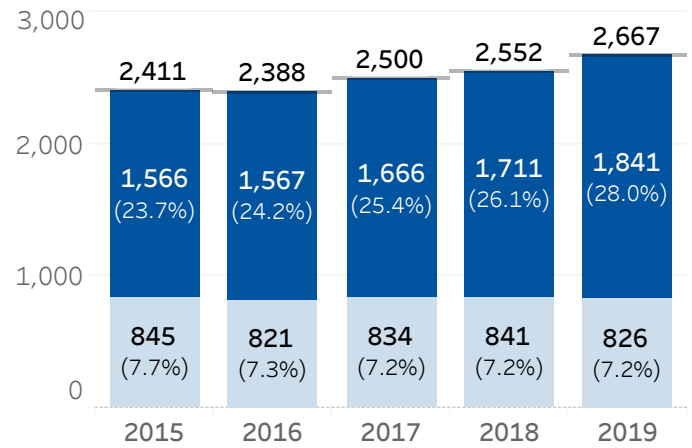

First Generation Students

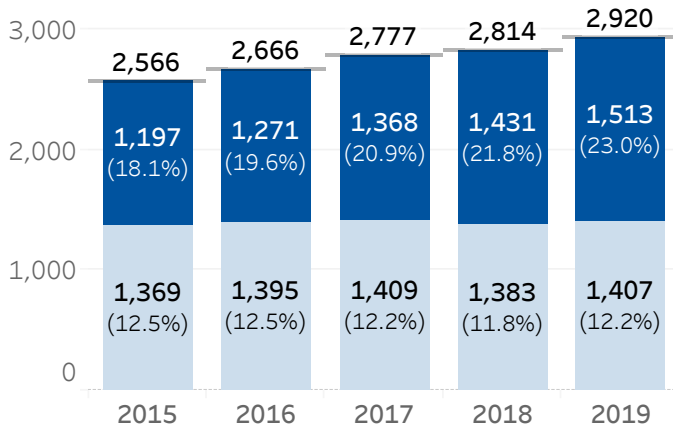

Low Income Students

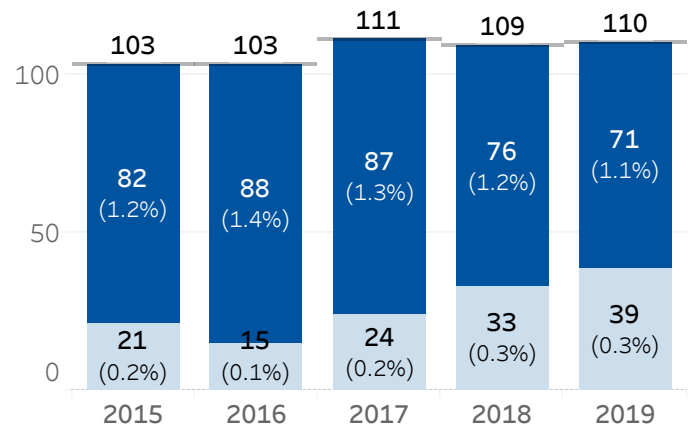

Pell Grant Students

Domestic Underrepresented Minority Students

Military Veteran Students

Percentages in the first graph (by Residency only) add to 100% because they reflect the whole population. The remaining graphs' percentages do not add to 100% as they reflect the metric displayed as a proportion of their subgroup (i.e. Delawareans vs. Nonresidents).
