¹First-Generation students are defined as those whose parents' highest level of education is a high school diploma (National Center for Education Statistics, U.S. Department of Education).

²The term "Low-Income" means an individual whose family's taxable income for the preceding year did not exceed 150 percent of the poverty level amount. The poverty guidelines are published by the U.S. Department of Health and Human Services (Office of Postsecondary Education, U.S. Department of Education).

³The Federal Pell Grant Program provides need-based grants to low-income undergraduate and certain post-baccalaureate students to promote access to postsecondary education. Pell Grant Recipients receive grant amounts dependent on: the student's expected family contribution (EFC); the cost of attendance (as determined by the institution); the student's enrollment status (full-time or part-time); and whether the student attends for a full academic year or less. Students may not receive Federal Pell Grant funds from more than one school at a time (Office of Postsecondary Education, U.S. Department of Education).

⁴Domestic Underrepresented Minority (URM) is based on all ethnicity categories and includes Black, Hispanic, Native American Indian, Hawaiian or Other Pacific Islander.

⁵Veteran includes active duty military, active reserve and veteran military statuses.
