Note: Data comply with IPEDS Completions Survey definitions (July 1 through June 30). Since some graduates earn degrees across different colleges (eg. AS-BS, AG-BS), the sum of degree counts across colleges may be greater than the distinct degree total at each degree level. Also because one student can earn multiple degrees (eg. AS-BA, EG-BS), the sum of distinct degree totals may be greater than the number of students who graduated. Certificates reflect UOD01 only.

The degree counts reflect the actual degree data one day before the report run date on September 29, 2022.

<sup>1</sup>The Energy and Environmental Policy Program moved to the College of Arts and Sciences in 2014.

<sup>2</sup>The Joseph R. Biden, Jr. School of Public Policy & Administration moved out of the College of Arts & Sciences to be a stand-alone college in 2020.
