Source: Data obtained through the Career Center and Institutional Research Career Plans Survey

¹ Beginning in 2014, the methodology and results reflect National Association of Colleges and Employers (NACE) standards. The response rate is actually a "knowledge rate" which includes all available data collected.

² The number in class is based on expected graduates from IPEDS degree completions data.

³ The number of respondents includes baccalaureate respondents with valid data on Career Plans Survey "Post-graduation status" question, along with additional data collected toward the "knowledge rate".

⁴ Results at the University Total level for all baccalaureates are unduplicated based on graduates' 1st Major. Twenty (0.6%) of the 3,195 respondents indicated that they are participating in a volunteer or service program (e.g. Peace Corps), twenty (0.6%) of the 3,195 respondents indicated they are engaged in military service, fifteen (0.5%) of the 3,195 respondents indicated that they are planning to continue education but are not yet enrolled, and fourteen (0.4%) of the 3,195 respondents indicated they are not seeking work or further education in 2021.

⁵ Results within each College/Portfolio level are unduplicated. Where a student had majors in more than one college (or portfolio in Arts & Sciences), they are counted in each accordingly.

Note: Results by major, including Masters and Doctoral degree recipients, are available at <http://www.udel.edu/apply/career-outcomes/>. Percentages may not total to 100.0 because of rounding.
