

Our November meeting was awesome! Maya and Mason Merritt led us in the pledges. Then Blacky Wasgat, our club leader, talked about the upcoming favorite food contest and the photo contest. She also spoke about our Community Service project. Clover Quest unpacked boxes of chap stick at the Stockings for Soldier's location. The chap stick will be put into stockings with other items that will be sent to soldiers in Iraq. Then we split up into two groups to play our games. After the games, we had Monkey Bread prepared by the Merritt family. Mrs. Karen Johnston gave a presentation on healthy living and then Matt Johnston dismissed the meeting.
