

Creating LGBTQ+ Inclusive Youth Programs

November 10, 2020

6:30-8:30pm

via Zoom

Geared towards volunteers, parents, and those that work with youth, this interactive workshop led by Mara Iverson of Outright Vermont will help participants increase fluency with LGBTQ+ inclusive concepts, terminology, and practices. Participants will learn and practice approaches for making their clubs and programs affirming and supportive for youth of all genders and sexual identities. Participants will identify specific opportunities for and challenges to inclusivity in their clubs, programs, and organizations. Participants will leave with broader knowledge of LGBTQ+ youth topics, methods for recognizing gaps in inclusivity, and ideas for how to apply affirming practices to fill those gaps.
