

County Litter Barrel Entry Form

In an effort to promote litter awareness and the work of the 4-H program, all clubs are encouraged to design and paint a litter barrel to place out in their community. So get your brushes out artists, and work with your other 4-H club members to design a barrel with a creative theme to promote litter awareness. Each club should complete an entry form and submit it to the 4-H Office by March 28th. Club litter barrels should be able to be in place for 30 days. Paint away and have fun!
