Motion to amend original proposal related to the new process for handling grievances: That January 2023 will be the transition date for the new process whereby 2 MSP Board Members [Adam St. Jean and Kelly Socia] will assume the grievance process. They will work with the current grievance officer, Arnold O'Brien, until such time. Adopted by the affirmative vote of 12 present and voting members.

The amended salary review process, related to the 2021 season, was presented. This amendment permits reapplication in this current session, 2022, by those dissatisfied with their salary adjustment for the 2021 cycle. The decision made in this cycle will replace that of the 2021 cycle, even in the event of a lower judgement in 2022. Motion to accept the amended Salary Review Process for 2021. Adopted by the affirmative vote of 14 present and voting members.

The MSP Board Demands to bargain related to the Title IX language present by administration. Adopted by the affirmative vote of 12 present and voting members.
