

# Annuitant ePantherACCOUNT Terms of Service

## General

[Annuitants may request continued access to their ePantherACCOUNT](#). In doing so, they will retain access to services using their ePantherID and password subject to the following conditions. (Note: Emeriti-designated faculty and academic staff annuitants receive permanent access and do not need to annually revalidate accounts.)

## Terms of Service

The following terms and conditions are effective as of (12/20/2011):

1. Annuitants will receive access to the same information technology services as are available to emeritus faculty and staff.
2. Annuitants must request continued access to their ePantherACCOUNT prior to retirement or within 30 days thereafter from UWM by contacting the [personnel representative](#) of the appointing school/college or division. The [personnel representative](#) of the appointing school/college or division must approve requests to continue access to ePantherACCOUNTs.
3. Requests made after the time frame listed above are subject to additional approval by the UITS IAM Program Sponsors.
4. Continued access to an assigned ePantherACCOUNT must be revalidated annually by the individual annuitant each fall in accordance with UWM procedures for validating Sponsored ePantherACCOUNTs. Failure to revalidate use of account will result in loss of access to services and possible loss of data maintained in services.
5. UWM reserves the right to modify the terms of service one year after communicating the new terms of service to the annuitant. This communication will be made at the time of revalidation of the ePantherACCOUNT. New retiring employees requesting continued access within one year of a pending change of terms of service will be informed of the change at the time of requesting continued access.
