

BACHELOR OF SCIENCE IN ALLIED HEALTH DIAGNOSTIC MEDICAL SONOGRAPHY

DESCRIPTION:

The partnership between Widener and Crozer-Keystone Health System allows students to receive Widener University credit for all courses and clinicals, which must be taken and completed in consecutive semesters at Crozer and its affiliates. Students can either complete the general education requirements at Widener prior to entering the program or transfer up to 60 credits toward the Bachelor of Science in Allied Health

Please visit the academic catalog:

https://catalog.widener.edu/preview_program.php?catoid=13&poid=1798&hl=%22sonography%22&returnto=search

PROGRAM HIGHLIGHTS:

- Program core courses and clinical instruction runs full-time, year-round for 20 consecutive months
- Generally, students will meet from 8:00am to 4:00pm, with exceptions pertaining to evening clinical rotations towards the end of the program and occasional morning exams.
- The clinical cohorts begin every September and January, and applications are reviewed on a rolling basis.
- The program has existing partnerships with Bloomsburg University, Immaculata University and Gwynedd Mercy University.
