

Articulation

Choose three skills from the list below that you believe best reflects your strengths and abilities to an employer. Write a complete statement linking your experience to how it will benefit them on the job. Use the example below to guide you.

Example:

Activity: Balanced Multiple Positions/Duties

Skill: Work Ethic

Connection: While serving as president of the Black Student Union, I also held an internship at the Philadelphia Eagles working 15 hours per week, was the secretary of my sorority, ran track, and maintained a 3.567 GPA. Through these experiences I learned the importance of excellent time management and discipline, which I will use to ensure I will not miss deadlines or produce inferior projects for ABC Industries.

Activity: _____

Skill: _____

Connection: _____

Activity: _____

Skill: _____

Connection: _____

Activity: _____

Skill: _____

Connection: _____

The National Association of Colleges and Employers (NACE) has ranked the skills below as the most important for students to bring from college to the workplace:

- | | |
|-------------------------------------|------------------------------------|
| Professionalism / Work Ethic | Teamwork / Collaboration |
| Critical Thinking / Problem Solving | Information Technology Application |
| Oral / Written Communication | Career Management |
| Leadership | |
