# 4-Month
# CO-OP SCHEDULE
## Planning for the fall cycle

### 1
**1 year in advance (fall semester):**
Advertisements for fall co-op orientation sessions will be released to eligible students a full calendar year in advance.

### 2
**10–11 months in advance:**
Orientation sessions will be held throughout the fall semester by Career Design and Development (CDD) staff. To commit to the co-op program, students must attend one session.

### 3
**8 months in advance:**
Students commit to the co-op program by completing a commitment survey provided by CDD staff. Deadline typically falls in mid-late January.

### 4
**4 months in advance:**
Students schedule summer courses and enter co-op during the fall semester.

### 5
**Start of fall semester:**
Co-op begins.

*Eligible students attend orientation in their freshman or sophomore year and go on co-op in their sophomore or junior year. Computer Science/Computer Information Systems students are eligible to participate in their junior year and should begin the planning process in their sophomore year.*
