University Payment Plans

Payment plans are designed to assist students in managing the “gap” or balance remaining after all charges and financial aid have been applied to the student account. Widener University assesses charges by semester; the statement of account will reflect charges for the current semester tuition, fees, and housing. Your financial aid award letter also breaks up your annual award by semester and applies financial aid to your student account by semester. Widener payment plans are designed to assist in covering each semester balance.

Widener University offers two (2) semester based payment plans:

3 Month Summer Semester Payment Plan
