WASHINGTON UNIVERSITY IN ST. LOUIS TRADITIONS

William Greenleaf Eliot Seal

The plaque embedded in the ground beneath the archway honors Washington University's founder, first Chairman of the Board and the third Chancellor, William Greenleaf Eliot. The plaque was given to the university during the centennial celebrations in 1953 by the First Unitarian Church of St. Louis. Student lore states that anyone who walks on the seal will not graduate in four years. As you process to the east end of campus after Convocation, you will see that we have placed stanchions around the seal to ensure no new students accidentally step on the seal in advance of their Commencement date.

University Seal and Motto

The university seal was developed in 1896 by Holmes Smith, professor of drawing and history of art, using elements from the coat of arms of George Washington (after whom the university is named) and fleurs-de-lis, the symbol of King Louis IX, patron and namesake of St. Louis. The seal was officially adopted by the Board of Trustees in March 1897. The university's motto, which appears inside an open book in the middle of the university seal, is *Per Veritatem Vis*, "Strength through Truth." The motto was adopted in 1915. The current version of the official university seal was created in 2000, incorporating the same elements.

ALMA MATER

Dear Alma Mater,
Thy name is sweet to me.
Our hearts are all for thee
Fair Washington.
Thy halls shall honored be
Throughout this great country
For all eternity, Our Washington.

Those days of youth which
All of us spent with thee
Form a dear history,
Fair Washington.
Could they renewed be,
We'd live our days with thee
For all eternity, Our Washington.
