

Dear Colleagues,

We hope you are doing well as the semester comes to a close! We're pleased to share this update that includes faculty honors and awards, recent publications, upcoming presentations, workshops and conferences, and some articles that we have appreciated of late. We are grateful for your continued support and collaboration, and we wish you all a happy holiday season!

Proctor, E. K., & Geng, E. (2021). [A new lane for science](https://doi.org/10.1126/science.abn0184). *Science*, 374(6568), 659–659. <https://doi.org/10.1126/science.abn0184>

Proctor, E. K., Toker, E., Tabak, R., McKay, V. R., Hooley, C., & Evanoff, B. (2021). [Market viability: A neglected concept in implementation science](https://doi.org/10.1186/s13012-021-01168-2). *Implementation Science*, 16(98), 1-8. <https://doi.org/10.1186/s13012-021-01168-2>

Steffen, K. M., Holdsworth, L. M., Ford, M. A., Lee, G. M., Asch, S. M., & **Proctor, E. K.** (2021). [Implementation of clinical practice changes in the PICU: a qualitative study using and refining the iPARIHS framework](https://doi.org/10.1186/s13012-021-01080-9). *Implementation Science*, 16(1). <https://doi.org/10.1186/s13012-021-01080-9>

Upcoming Presentations by CMHSR Faculty and Fellows

Beidas, R. S., Lane-Fall, M., Lewis, C. C., & **Powell, B. J.** (2021, December 14). [Continue the conversation: Orientation to the science of dissemination and implementation](#). Discussion session at the Conference on the Science of Dissemination and Implementation in Health.

Fernandez, M., **Powell, B. J.**, & Walker, T. (2021, December 14). [Implementation Mapping to plan implementation strategies](#). Workshop presentation at the Conference on the Science of Dissemination and Implementation in Health.

Purtle, J., Nelson, K., **Lengnick-Hall, R.**, Horwitz, S., Palinkas, L., **McKay, M.**, & Hoagwood, K. (2021, December 14). [Inter-agency collaboration is associated with increased frequency of research use in children's mental health policymaking](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health

Cabassa, L. J., Stefancic, A., **Tuda, D.**, Bochicchio, L., **Powell, B. J.**, & **Hawes, M.** (2021, December 14-16). [Using the matrixed multiple case study methodology to understand site differences in a hybrid type 1 trial of a peer-led healthy lifestyle intervention for people with serious mental illness](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health. **[Best Poster Award Nominee]**.

McHugh, S., Barry, M. A., Riordan, F., & **Powell, B. J.** (2021, December 14-16). [Assessing implementation strategy use in the national rollout of health and social care innovations to support health policy goals in Ireland](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health.

Buchanan, G. J. R., Ballard, J. E., Solheim, C., Fatiha, N., Song, S. (2021, December 14-16). [Resilience in the system: COVID-19 and immigrant- and refugee-serving health and human service providers](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health.

Buchanan, G. J. R. (2021, December 14-16). [Applying the CFIR to a statewide sample of integrated behavioral healthcare implementation in primary care](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health.

Stefancic, A., Rogers, R., Styke, S., Nossel, I., **Cabassa, L. J.**, Stroup, S., & Kimhy, D. (2021, December 15). [First episode digital monitoring: A qualitative study to inform a novel mHealth](#)

[intervention for psychosis](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health.

Lengnick-Hall, R., Haley, A., & **Powell, B. J.** (2021, December 16). [A multiple case study of the Collaborative Organizational Approach to Selecting and Tailoring Implementation Strategies \(COAST-IS\)](#). Oral presentation at the Conference on the Science of Dissemination and Implementation in Health.

Crable, E., **Lengnick-Hall, R.,** Stadnick, N., Moullin, J., & Aarons, G. (2021, December 16). [Optimizing frameworks to advance policy d&i science: Examples and recommendations](#). Poster presentation at the Conference on the Science of Dissemination and Implementation in Health.

Cabassa, L. J. & Palacio, H. (2021, December 16). [Closing Plenary Keynote: Building D&I Science into a Complex World: Perspectives on Emergency Response, Public Health, and National Policy](#). Plenary presentation at the Conference on the Science of Dissemination and Implementation in Health.

Hawes, M. R., Danforth M., **Pérez-Flores, N. J.,** Bochicchio, L., **Tuda, D.,** Stefancic, A., **Cabassa, L. J.** (2022, January 12-16). Learning, Doing and Sticking with It: A Qualitative Study on Achieving Clinically Significant Reduction in Cardiovascular Disease Risk in a Healthy Lifestyle Intervention for People with Serious Mental Illness. Poster presented at the Society for Social Work and Research 26th Annual Conference, Washington, DC.

Park, M. (2022, January 12-16). Racial Stereotypes and Asian American youth paradox. Paper presentation at the Society for Social Work and Research 26th Annual Conference, Washington, DC.

Tuda, D., Stefancic, A., **Hawes, M.,** Wang, X., **Guo, S.,** & **Cabassa, L. J.** (2022, January 12-16). Correlates of Attendance in a Peer-Led Healthy Lifestyle Intervention for People with Serious Mental Illness Living in Supportive Housing. Poster presentation at the Society for Social Work and Research 26th Annual Conference, Washington, DC.

Luke, Douglas. (2022, February 10). Strengthening implementation science with systems science. Keynote presentation at 2nd Conference of the Swiss Implementation Science Network. [Register here!](#)

Park, M. (2022, February 16-19). Socioemotional Disposition, Environmental Context, and Asian American Mental Health. Paper presentation at the Society for Personality and Social Psychology.

Workshops and Conferences

On December 8-9, 2021, the National Institute of Mental Health, the Eunice Kennedy Shriver National Institute of Child Health and Human Development, and the National Institute on Minority Health and Health Disparities are holding *the 2021 Youth Mental Health Disparities Conference*. The conference theme is Identifying Opportunities and Priorities in Youth Mental Health Disparities Research. The conference will include the participation of **Drs. Mary McKay and Deanna Barch** as panel members. [Register here to attend the conference!](#)

The 2022 National Institute of Mental Health (NIMH) sponsored Mental Health Services Research Conference (MHSR) will be held August 2-4, 2022. All events to be virtual. The main conference will be held on August 2-3, 2022 and the new investigator workshop for selected early stage investigators will be held on August 4, 2022. The MHSR is the premier national research conference focused on mental health services. The conference is organized by the Services Research and Clinical Epidemiology Branch at NIMH to promote areas of high priority for services research and to identify opportunities with potential for significant impact on the health and well-being of people with mental disorders. The MHSR 2022 will feature thought-provoking keynote and plenary speakers and significant scientific advances presented as part of symposia, discussion groups, and posters. **Stay tuned for more information about this exciting conference, and save the date!**
