Brown School

CMHSR Seminar Series - Fall 2021

September 21, 2021 12:00 pm-1:00 pm CT

Steven López presents *Towards Reducing the Duration of Untreated Psychosis: The Case of US Latinos*

To register: <http://bit.ly/BrownOpenClassroom>

Dr. Lopez is a Professor of Psychology and Social Work at the University of Southern California. He has dedicated his 39-year career as an academic clinical psychologist to improving mental health services for the Latinx community. He has developed programs to teach people in Mexico and the United States to identify the early signs of serious mental illness so they can receive prompt care. Co-sponsored by: Wash U's Center for the Study of Race, Ethnicity & Equity (CRE²): The Latinx | Latin American Race & Ethnicity Research Unit and Brown School's Open Classroom

October 26, 2021 12:30 pm-1:30 pm CT

Rosaura Aguayo presents *Partnership and Adaptation to Implement Trauma Focused Therapy in Low Resourced Settings in the US and Latin America*

To Register: <http://bit.ly/BrownOpenClassroom>

Dr. Aguayo is an Associate Professor and bilingual clinical psychologist at the National Crime Victims Research and Treatment Center within the Department of Psychiatry and Behavioral Sciences at the Medical University of South Carolina. Her research focuses on addressing mental health disparities among underserved populations, specifically Hispanic youth, through innovative implementation and dissemination methods, including telehealth. Co-sponsored by: Wash U's Center for the Study of Race, Ethnicity & Equity (CRE²): The Latinx | Latin American Race & Ethnicity Research Unit and Brown School's Open Classroom

November 17, 2021 4:00 pm – 5:00 pm CT

Bo Kim presents *Systematic Decision-Making for Using Technological Strategies to Implement Evidence-Based Interventions*

To Register: <https://www.eventbrite.com/e/cmhsr-seminar-november-17-2021-tickets-165808781529>

Dr. Kim is a mental health services researcher and implementation scientist at the VA Center for Healthcare Organization and Implementation Research, and an Assistant Professor of Psychiatry at Harvard Medical School. She is a core investigator for the VA Behavioral Health and Bridging the Care Continuum Quality Enhancement Research Initiative (QUERI) Programs.

December 8, 2021 4:00 pm – 5:00 pm CT

Deidre Anglin presents *Racism and Psychosis: The Role of Social Determinants*

To Register: <https://www.eventbrite.com/e/cmhsr-seminar-december-8-2021-tickets-165810075399>

Dr. Anglin is an Associate Professor of Psychology in the Doctoral Clinical Psychology Program at The City College of the City University of New York (CUNY) with postdoctoral research training in psychiatric epidemiology at Columbia University's Mailman School of Public Health. She leads several projects in her Clinical and Social Epidemiology Lab designed to identify social determinants of psychosis risk in racial and ethnic minoritized populations.
