

## Center for Mental Health Services Research

Brown School

### CMHSR Monthly Seminar Series - Spring 2021

February 24, 2021 4:00 pm – 5:00 pm CT

**Rebecca Lengnick-Hall** presents *Bridging factors: rethinking mental health service delivery*

To register: <https://www.eventbrite.com/e/cmhsr-seminar-february-24-2021-tickets-136998174227>

Dr. Lengnick-Hall is an early-career investigator currently based at Washington University in St. Louis as a postdoctoral fellow at the Center for Mental Health Services Research. She wants to create organizational environments that support EBP implementation and set clinicians up to succeed and understand how practitioners make decisions about adaptation as an EBP is adopted, implemented and sustained.

March 31, 2021 4:00 pm – 5:00 pm CT

**Michael Park** presents *Racial Stereotypes and Asian American Youth Paradox*

To Register: <https://www.eventbrite.com/e/cmhsr-seminar-march-31-2021-tickets-136999486151>

Dr. Park is currently an NIMH-funded T32 Postdoctoral fellow at the Center for Mental Health Services Research at the Brown School, Washington University in St. Louis. His research focuses on the social determinants of mental health and disparities in mental health service utilization.

April 28, 2021 4:00 pm – 5:00 pm CT

**Kelly Aschbrenner** presents *Peer Group Lifestyle Intervention Enhanced with Mobile Health for Young Adults with Serious Mental Illness: Results of a Randomized Controlled Trial*

To Register: <https://www.eventbrite.com/e/cmhsr-seminar-april-28-2021-tickets-136451318567>

Dr. Aschbrenner is an Associate Professor of Psychiatry at the Geisel School of Medicine at Dartmouth College, Senior Scientist in the Dartmouth-Hitchcock Health System, and Director of Research at New Hampshire Hospital. Her research focuses on the development, evaluation and implementation of evidence-based practices to improve the health and quality of life of individuals living with serious mental illness.

May 26, 2021 4:00 pm – 5:00 pm CT

**Adrian Aguilera** presents *Digital Health Interventions for Depression and Diabetes in Underserved Populations*

To Register: <https://www.eventbrite.com/e/cmhsr-seminar-may-26-2021-tickets-137001732871>

Dr. Aguilera is an Associate Professor in the School of Social Welfare at University of California Berkeley and the Department of Psychiatry at University of California San Francisco. His research is focused on developing and testing technology-based interventions to address health disparities in low-income and vulnerable populations. Dr. Aguilera's work has focused on utilizing mobile phone technology to disseminate mental health interventions.
