

Center for Mental Health Services Research

Brown School

Dear Colleagues,

We hope this email finds you well! We are pleased to present this month's CMHSR newsletter, which contains a number of updates about our seminar series; recent awards and publications; workshops, conferences, and panel participation; and what we are reading. Congratulations to our NIMH T32 postdoctoral fellow, Dr. Gretchen Buchanan, who recently accepted a position as a Senior Researcher at the [Hennepin Healthcare Research Institute](#) and [Redleaf Center for Family Healing](#). She will transition to her new role in May of 2023. We also want to congratulate Nancy Jacquelyn Pérez-Flores for receiving an honorable mention from the Grand Challenges for Social Work Inaugural Doctor Awards. Finally, we are very excited to announce the release of Dr. Leopoldo Cabassa's new book, titled "Addressing Health Inequities in People with Serious Mental Illness: A Call to Action." Please see below for more details, including an interview about the book. Thank you all for your continued support!

Best,

Leopoldo J. Cabassa and Byron J. Powell

Co-Directors, Center for Mental Health Services Research

Brown School at Washington University in St. Louis

The Mental Health & Substance Use Research Interest Group of AcademyHealth 2-3pm, First Friday of Every Month (Feb. - Jun.)

The premier national professional organization for health services and policy research – will hold free and open office hours for people interested in a career in mental health & substance use services and policy research. Office hours will be held on Zoom on the first Friday of the month from 2-3pm Central, February – June. Both undergraduate and graduate students are welcome to join. Morgan Shields will be at all office hours, with the potential for others of varying interests and backgrounds to join, too. You do not need to be a member of AcademyHealth to join.

Link to the Zoom room: <https://wustl.zoom.us/j/5051160857>

Please email Morgan Shields if you have questions at mshields@wustl.edu
