

Dining Services is committed to serving a variety of high-quality bread products & pre-packed food items.

To ensure this:

- Our team has partnered with a new, local bagel vendor, Alpha Baking, which delivers three times a week to ensure freshness and quality of our bagels on campus.
- New varieties of bagels will be available in our marts & cafés including plain, cinnamon raisin, blueberry, The Works, and four grain bagels, as well as more bread selections.
- Packages of six bagels will be available at Paws & Go and Millbrook Market. Individual bagels will continue to be available in all cafés.
- Daily checks of all bagels and bread items will be conducted by the manager on duty or an hourly team member designated by the manager. Expired and perished products will be removed from our shelves immediately and either donated or discarded as is appropriate.

To report concerns regarding these action items, please request to speak to a manager on duty and email Dining Services at diningservices@wustl.edu.
