

Dining Services is committed to serving high-quality fresh fruits & vegetables on campus that are accessible and affordable.

To ensure this:

- We are enhancing the variety of our fresh, seasonal fruit available, including: pears, Cutie mandarins, oranges, bananas, grapefruit, and apples such as Pink Ladies & Honey Crisp.
- A variety of fresh fruit baskets, freshly cut and packaged melons, and berries will continue to be available daily at all dining locations.
- Daily checks of all fruit and vegetables will be conducted by the manager on duty or an hourly team member designated by the manager.
- Frozen berries are being added to Millbrook Market and Paws & Go for purchase.
- Sealed cups of fruit packed in water or 100% fruit juice are being added to Millbrook Market and Paws & Go for purchase.
- Pre-packed portions of fresh vegetables are being added to Millbrook Market and Paws & Go for purchase.
- Pre-packed salads, vegetables sides, and fruit cups will continue to be inspected daily by management to ensure quality and freshness. Perished items will be pulled from service and discarded.
- Students continue to have the option to swap their fries in the Half & Half at the Grizzly Grill for a vegetable side, free of charge.
- Build your own salad bars are now available at Paws & Go and The Village daily with a variety of plant-based proteins and colorful vegetables.

To report concerns regarding these action items, please request to speak to a manager on duty and email Dining Services at diningservices@wustl.edu.
