Welcome to WashU Parents and Families!

Whether you are returning to campus or visiting with your student for the first time, we hope you have a wonderful time together! We take great pride in what our dining program has to offer, and hope to share more of we have going on over the next few months. We plan to keep you informed each month by highlighting our program offerings as well as opportunities for your students to explore through our Director’s Corner.

We understand that the transition to college can be challenging, and making healthy choices can be new to students. Therefore, our dining program emphasizes diversity of choice, allowing each student to select a meal plan that best fits their wellness and nutritional needs. Students have the freedom to explore options that interest them on campus, as we provide an array of options for them.

If your student is struggling to navigate our dining program, please encourage them to reach out to our office for assistance. We are here to serve and help your student.

**While you're here, we recommend that you:**

- Grab a cup of coffee from our newly renovated Café Bergson in the DUC.
- Enjoy a Halal-friendly meal at the Village.
- Try a vegan or vegetarian meal or snack at any dining location on campus.
- Enjoy a Kosher lunch at our L'Chaim station in the Bear’s Den.
- Grab lunch on Friday from our new allergy friendly Simply Made station at the DUC. Also available at Bears Den and the Village.
- Sit down, relax, and enjoy a meal for the family at Ibby's Bistro in the DUC.
- Grab a Boba Tea from a student favorite spot at Corner 17 in Whisper’s.
- Try a meal at Simply Made at the DUC, BD or Village.
