

# COOLER RETURN PROGRAM

Send empty coolers back to the vendor,  
not to the landfill!

Follow these steps to return:

## MilliporeSigma

1. Remove all contents.
2. Return empty cooler to original box. Follow instructions to expose shipping label.

## New England BioLabs

1. Remove all contents.
2. Peel off original shipping label. The orange return shipping label is already exposed.

3. Tape box or cooler closed.
4. Place box in your lab-specific shipment location, department mail room, or give to your custodian.
