Participants Needed for Research Study on Tinnitus

Tinnitus is a constant ringing or buzzing in one or both ears.

You may be able to participate if:

- You have tinnitus or symptoms of tinnitus
- You are an adult
- You have computer access and an email address

This study involves:

- A brief series of surveys about your tinnitus
- Participation in this study can be done completely at home!

Complete the eligibility questionnaire at the following link if you would like to be contacted to participate:

[Tinnitus Screening Survey](https://is.gd/tinnitus2020)

If the link is not functional copy and paste the following address into your internet browser:
