

## Recruiting for Study on COVID-19 Smell Problems

*We are researching a medication for smell problems due to COVID-19.*

You may be able to participate if:

- You are an adult living in Missouri or Illinois
- You have Internet access and an email address
- You have had symptoms or diagnosis of COVID
- You have had smell/taste problems for  $\geq 3$  months

This study involves:

- Up to 12 weeks of a possible medical treatment regimen and associated online surveys on smell
- Participation in this study can be done from home!

To participate, please email us at  
[otooutcomes@wustl.edu](mailto:otooutcomes@wustl.edu) with the subject line  
'SCENT3 Study'

### FOR ANY QUESTIONS

Please contact Dr. Jay F. Piccirillo at 314-362-9475, email [otooutcomes@wustl.edu](mailto:otooutcomes@wustl.edu), or visit [otooutcomes.wustl.edu](http://otooutcomes.wustl.edu).
