

## Schlafly Lecture Series 2016

**Bettina Drake, PhD, MPH**

*Assistant Professor of Surgery  
Division of Public Health Sciences, Department of Surgery  
Washington University School of Medicine*

# Schlafly Lecture Series: Combating Cancer

**Wednesday, February 17, 2016**

**6:00 p.m.—7:30pm**

**St. Louis Public Library Schlafly Branch**

Join us for an evening focused on cancer prevention and screening. Dr. Bettina Drake from the Division of Public Health Sciences at Washington University will be presenting on cancer prevention tips as well as screening guidelines for common types of cancer, including prostate cancer, breast cancer and colorectal cancer. Information will be available to take home. Free prostate cancer screening tests will be available onsite.

Children will have the opportunity to make cards for cancer patients during this event.

Saint Louis Public Library  
Schlafly Branch  
225 N. Euclid Ave.  
St. Louis, MO 63108
