“Designing for dissemination and impact: In search of the Holy Grail”

Wednesday, March 20, 2019
Noon—1:00 pm
Doll and Hill Room
Taylor Avenue Building

This presentation will describe principles of designing for dissemination and how these approaches can be incorporated into ongoing research projects.

It will also present approaches for enhancing the impact of research.

Co-sponsored by the Institute for Public Health, the Department of Obstetrics and Gynecology, the Department of Medicine, and the Department of Anesthesiology
