

Save the Date for 2018 Smart Health events

PECaD is excited to announce one of three possible 2018 dates for our annual Smart Health Cancer Community Education Days. Please save the date for the North St. Louis County Smart Health event on June 30, 2018. [READ MORE.](#)

Updated 8 Ways brochures for the Kathryn M. Buder Center for American Indian Studies

This past fall, PECaD worked with the Kathryn M. Buder Center for American Indian Studies to update the 8 Ways to Prevent Cancer brochure series. Together, we updated two existing American Indian brochures and created a new

one specific to American Indian cancer survivors. [READ MORE.](#)

North St. Louis County activities update

PECaD has continued to be very involved with North St. Louis County after the opening of Siteman Cancer Center at Christian Hospital in July 2017. Over the past months, PECaD has invested time and effort into community events, outreach, and is preparing for a busy spring and summer in North St. Louis County. [READ MORE.](#)

Join PECaD Jan. 31 at 6:00 p.m. for a [special screening of *Someone You Love*](#), a documentary on HPV.
