### NOTES

Courses in **bold** are required courses for the Architecture Major.

Courses not in bold are General Education requirements. Arch: HUM and Arch: SSC are distribution requirements in Humanities (HUM) and Social & Behavioral Sciences (SSC).

\**Calculus I (Math 131)* should be taken your first year unless you place out of it based on your AP or IB exam score.

\*\**Physics 191* should be taken the first semester of your sophomore year unless you place out of it based on your AP exam score.

*Italics* indicate a course that has moved due to study abroad semester.

The highlighted semesters indicate when Architecture majors may study abroad in Florence, Italy, through the Sam Fox School. The courses listed below in the fall semester of the fourth year are those that will be taken in Florence. Please note the junior year differs between students who opt to study abroad in Florence and those who choose not to study abroad.
