UNLOCK POTENTIAL WITH FEDERAL FUNDING

Are you looking for federal grants to support your community, organization, school, or university? Billions of dollars from federal grants are available to improve housing, transportation, air quality, and healthy, sustainable communities. Learn how to access these funds and put them to work for your community in a free training!

CHOOSE THE OFFERING THAT'S RIGHT FOR YOU!

GRANT READY!

IN-PERSON

Looking to obtain a 501c3, LLC, or obtain requisite accounts and certificates required for state and federal proposal submissions? Attend this all-day, hands-on workshop for participants to work on personal areas of need or interest and to have all the prerequisites completed that allow them to apply for federal and state grants!

GRANT DEVELOPMENT MODULES

VIRTUAL

Eager to sharpen your grant development skills? This self-paced program is for non-profit professionals, educators, small-business owners and community/organizers looking to gain insider insights on funder expectations, real-world examples, sample proposals, templates and other resources to make grant writing efforts more effective. Participants will select a funding opportunity to pursue and complete all performance-based activities and have a submission ready proposal to submit at the end!

GRANT PROCESSES OVERVIEW

IN-PERSON

This workshop is perfect for non-profit professionals, educators, small-business owners and community/organizers new to, or looking to develop a basic understanding of the grant making process. From funding origin to budget development, this workshop provides an 80,000 foot view of the grant process and covers topics ranging from the types of external funding, how to analyze the opportunities and budget development.

GRANT MANAGEMENT MODULES

VIRTUAL

Are you a non-profit professional, educator, community activist/organizer or small business owner new to grant management or looking to sharpen these skills? Check out this self-paced online program and gain valuable skills from proposal development to project closeout. Take advantage of ad hoc facilitator support and networking with fellow participants!
