2023-24 OLLI Committee Opportunities

Executive Advisory Committee – At-Large Member. The OLLI Executive Advisory Committee anticipates two openings for At-Large members to serve a two-year term beginning July 1, 2023. The purpose of the Executive Advisory Committee is to provide support and counsel to the OLLI Director, to provide a membership perspective in operational decisions, and to represent OLLI in the community. This group meets quarter by Zoom, with additional meetings as needed and occasional e-mail correspondence with the director. The average time commitment associated with the role is 1-2 hours per month.

Curriculum Committee – Interest Groups. OLLI’s Curriculum Committee has 9 interest groups, each representing a part of our curriculum:

Art & Architecture	Contemporary Issues	Entertainment
Fiction & Literature	History & Biography	Religion & Philosophy
Social Studies	STEMM	Writing & Storytelling

Facilitators and eager learners from within each area are invited to periodic meetings (usually quarterly) to discuss and brainstorm OLLI course offerings and to support OLLI facilitators. Interest Group membership may be renewed each year (July 1 – June 30) and has a time commitment of approximately 4 hours per year. Each Interest Group is chaired by a volunteer who sits on the Curriculum Committee. Interest Group chairpersonships become vacant periodically and are generally filled by those already participating in the interest group or facilitating related courses.

Membership Outreach and Retention. If you want to support OLLI but don’t like the idea of attending formal meetings, consider volunteering for Membership Outreach and Retention. This group is newly forming to encompass a variety to activities to welcome members and promote OLLI, with options like: attending gatherings to welcome to new members, placing OLLI literature in libraries and gathering places, greeting learners during the first week of classes, helping to promote OLLI online, and planning/hosting other social events. Participation can be renewed each year (July 1 – June 30). Time commitment will vary with your enthusiasm, from less than an hour per month to perhaps 2 hours per month.
