

# Lunch & Learn

## *Using Community Based Participatory Research in Indian Country*

Part of the *Know Your Level of Community Engagement* Series

Presented by  
Jenifer Van Schuyver, MSW Candidate 2019

### Learning Objectives:

1. Explain why CBPR is the standard research practice within Indigenous communities.
2. Identify tribal specific IRB's and how to start those processes.
3. Understand how CBPR research is used through an individual case study.

Registration Requested:
